

# How to find us...

We are located to the south of Silsden town centre in the Airedale valley, approximately four miles north-west of Keighley. Within easy walking distance of Steeton railway station. (Call us on **0845 674 5566** if you want information on train times).

From the Steeton roundabout on the A629, Skipton to Keighley Road, take the A6034 to Silsden. Having passed a golf driving range on your left, after approximately 500 metres turn right onto the Belton Road Industrial Estate. With the Marsel building on your left, follow Belton Road for a further 200 metres and you will see Ecology Building Society Headquarters on your left.
