

Online Application Declaration Form

Please sign this form and return it as instructed by your mortgage broker. Once your broker has uploaded this form (alongside any other supporting documents) and completed the mortgage application process, Ecology will undertake credit searches and commence the underwriting process.

1. Application fee

The application fee, as specified in the Society's **Current residential mortgage rates and charges** leaflet and your personal Illustration, is required with each mortgage application.

Acceptance of the fee does not imply that the Society will make an offer, or make an offer for any particular date, as this will be dependent on approval of your application and also on the availability of funds at the time of the offer.

2. Property & contents insurance

Property insurance is the only insurance which the Society insists you must have but we also recommend that you should also have contents cover. The property must be insured for the cost of the rebuild as recommended by the valuer.

7. Declaration

Each applicant should read the following carefully before signing. If anything is unclear, please contact the Society for assistance.

- I wish to apply for the mortgage which my mortgage broker/financial advisor has submitted online on my behalf.
- I have read the mortgage information leaflets and illustration.
- I am 18 years of age or over.
- To the best of my knowledge the information given on the application form (whether completed by myself or by someone on my behalf) is true and may be relied on by the Society for the purpose of deciding whether to make an offer of loan.
- I understand that, if I am one of joint borrowers, I have a separate and full responsibility for maintaining the monthly mortgage payments. If I fail to do so, I realise that the Society is entitled to recover the arrears, or the total debt due to the Society, from myself alone.
- I understand that the Society will provide me with a copy of the report and valuation prepared by the valuer in relation to this application but that this will be a valuation for mortgage purposes only. It will not be a

full survey and will not necessarily reveal all defects which there may be in the property.

- I accept that if the whole or any part of my mortgage is granted on an interest-only basis, it is my responsibility to ensure that I have (and will maintain) suitable arrangements for repaying any outstanding capital sum at the end of the mortgage term.
- I understand that the Society will treat all personal information about me as private and confidential and will only disclose my name and address or details about my accounts if I have given my consent or if the Society is legally obliged or permitted to make such disclosure.

By signing this application, I agree to the Society obtaining and making use of personal information about me in the manner set out below.

- I agree that the Society may take up such references as to my financial status and otherwise as it properly considers necessary in connection with this application.
- I also agree to the Society seeking credit information and details from the Electoral Register about me from credit reference agencies (who will record details of such searches). I understand that the

information which is provided to the Society (and to other organisations making searches in the future) about me and those I am linked with financially may be used for making credit decisions about me or other members of my household and for identification purposes as well as for debt tracing, the prevention of money laundering and the management of my account.

- I accept that the Society is entitled to treat me as financially linked with any joint applicant, or with anyone else who I have indicated has a financial association with me, and may make searches at credit reference agencies in respect of such individuals. Even if I am applying in my sole name, I understand that information held about me by credit reference agencies may already be linked to records relating to others with whom I am financially linked and I agree to this application being assessed by reference to any such associated records.
- I agree to the Society giving details of my mortgage account and how I manage it to credit reference agencies. They may also be told and will record the outstanding debt if I do not make repayments in full and on time.
