Foundations Cash ISA

Building a greener society

Tax-free savings that protect the environment

The Foundations Cash ISA allows you to invest your money in a tax-efficient way while simultaneously seeking to protect the environment and avoid funding unethical practices.

We put people and planet before profit

Saving with Ecology means joining a community of people who use their money to build a greener future.

We use your funds to provide mortgages for projects that make a positive environmental and social impact, as well as providing a fair financial return for our savers. You can find out more about what makes us special and meet some of our members in our leaflet: *Why choose Ecology for your savings?*

“They are so different from the banks. Ecology Building Society is a modern, well run firm, well financed, run on well founded principles and ethics.”

Financial Conduct Authority

The Financial Conduct Authority is a financial services regulator. It requires us, Ecology Building Society, to give you this important information to help you decide whether our Foundations Cash ISA is right for you. You should read this document carefully so that you understand what you are buying, and then keep it safe for future reference.

The mutual difference

When you join Ecology, you become a member of a mutual organisation, owned by our members and dedicated to their interests. It's a way of making finance more democratic – putting people before profit. Every member is valued equally and respected as an individual.

We're open and transparent about the decisions we make on your behalf and we encourage you to have your say on our work, including at our Annual General Meeting.

What is an ISA?

An ISA is an Individual Savings Account that allows you to protect your savings options from Income Tax and Capital Gains Tax.

You can save your ISA allowance in a cash ISA, a stocks and shares ISA, an innovative finance ISA, a lifetime ISA or any combination of the four, as long as you do not exceed the overall subscription limit and adhere to any specific rules which apply to the ISAs.

The cash ISA, is suitable for short-term savings as your money is easily accessible. The ISA we describe in this leaflet is a cash ISA and is the only type of ISA Ecology Building Society provide and manage.

“I wanted to invest my money somewhere I trust. Now I know that the money I save is helping other people – it means so much to me.”

Please note that the information in this brochure details the Foundations Cash ISA, but also accurately reflects the identical Earthwise Cash ISA, which is no longer available to new applicants.

How your savings are protected

Your eligible deposits with Ecology Building Society are protected up to a total of £85,000 by the Financial Services Compensation Scheme (FSCS). Any deposits you hold above the limit are unlikely to be covered. For further information, please visit [fscs.org.uk](https://www.fscs.org.uk).

Eligibility

You must be aged 16 years or over. You must be resident in the United Kingdom for tax purposes or, if not, a Crown employee serving overseas, or married to/in a civil partnership with a Crown employee serving overseas. If you invest in this cash ISA, you must not invest in another cash ISA in the same tax year.

You must tell us if you cease to be eligible as above.

How much can I invest?

You can start saving by making an initial investment of £25 or over; payments under £25 will not be accepted. The ISA subscription limit from 6 April 2019 to 5 April 2020 is £20,000 and this allowance can be split between a cash ISA, a stocks and shares ISA, an Innovative Finance ISA, a Help to buy ISA, subject to eligibility.

A tax year runs from 6 April to the following 5 April. The Government has said that ISAs will be available indefinitely but cannot guarantee the favourable tax treatment of ISAs and the situation may change in the future.

Example 1 – an individual invests £7,000 in a stocks and shares ISA; therefore he can invest up to £13,000 in a cash ISA in the 2019/2020 tax year. Alternatively, the full allowance of £20,000 can be invested in a stocks and shares ISA.

Example 2 – an individual invests £5,000 in a cash ISA; she can therefore invest up to £15,000 in a stocks and shares ISA in the 2019/2020 tax year. Alternatively, the full allowance of £20,000 can be invested in a cash ISA.

Product Specific Conditions

What interest rate will I receive?

We aim to offer savers a fair rate of interest. We guarantee that a minimum rate of interest of 1% gross **/AER*** will be paid to Foundations Cash ISA account holders. To check the current rate of interest, please refer to the leaflet **Current savings rates and charges** or call us on **01535 650 770**, email savings@ecology.co.uk or visit our website at ecology.co.uk.

Interest is earned on your savings from the day of receipt up to and including the day before funds are withdrawn or the account is closed. Interest is calculated on a daily basis and will be credited annually on 5 April each year, or on closure, if earlier. The interest rate is variable, which means it can go up or down.

*All ISA interest is paid tax-free, which means it's exempt from income tax and no tax is deducted. It's your responsibility to pay any tax due, based on your individual circumstances. Tax rules may change in future.

**AER stands for Annual Equivalent Rate and provides a means of comparing interest rates by showing what the rate would be if interest was paid and added once a year.

Can I withdraw my money?

The Foundations Cash ISA is a no notice account. Withdrawals should be requested via our online service (restrictions apply), by completing one of our Withdrawal/Notification forms or by sending us a letter signed by whoever is authorised to operate the account. If a withdrawal is made, the value may only be replaced by further payments where the annual subscription limit for the relevant tax year has not been reached. The minimum balance required to maintain a Foundations Cash ISA is £25.

Our Foundations Cash ISA is not a 'Flexible ISA'. This means that all your deposits within the tax year count towards your ISA allowance, regardless of whether or not you make any withdrawals.

How will I be kept informed about my ISA?

We will send you an annual statement each April. If you would like any additional information about your ISA please contact us. You may also wish to sign up for our online service available through our website, which will enable you to view your account online and request withdrawals (please refer to the online service Terms and Conditions, which are available on our website).

Transfers from other providers

At present we do not accept ISA transfers from other providers.

Can I transfer my ISA to another provider?

You may transfer the whole or part of your cash ISA to another provider. We do not charge for such transfers.

Full Transfers Out

To make a full transfer out of your Foundations Cash ISA to another ISA provider, they must be willing to accept ISA transfers. If you would like to make a full transfer, you will need to contact the ISA provider you wish to transfer your money to. Once we receive instructions from the new ISA provider, we will process the full transfer within 5 business days and your ISA with us will be closed.

Partial Transfers Out

To make a partial transfer out of your Foundations Cash ISA to another ISA provider, they must be willing to accept partial ISA transfers. Current tax year subscriptions must be transferred out in full as you are not permitted to have current year subscriptions residing in two separate cash ISAs. If you would like to make a partial transfer, you will need to contact the ISA provider you wish to transfer your money to. Once we receive instructions from the new ISA provider, we will process the partial transfer within 5 business days.

Are there any risk factors?

The interest rate paid is variable and may decrease. For your ISA to have interest paid tax-free your account must be operated within the rules laid down by the Government. Favourable tax treatment may not be maintained if any of the rules are broken, a change to your circumstances means you no longer qualify for an ISA, or the Government either alters the rules of the ISA scheme or withdraws it all together.

What happens if I die?

On notification of your death, the proceeds of your ISA will revert to your estate and the funds in the ISA will remain in your account, until such time as they are paid to your estate.

From 6 April 2015, the balance in the deceased ISA holder's account at the time of death (if this occurred after 3 December 2014) can be transferred to the surviving spouse's existing or new ISA, as long as the ISA provider accepts such transfers. This is known as an additional permitted subscription and is in addition to the annual individual subscription limit for the 2019/2020 tax year. We are not currently accepting additional permitted subscriptions.

Management of the ISA

There is a reporting mechanism in place between the Society and HM Revenue and Customs (HMRC). This enables HMRC to identify investors who have broken the ISA rules.

The Society will notify you if your ISA fails to meet the provisions laid down in the regulations, or if we receive instructions from HMRC, which cause your ISA to become taxable, or void.

If your cash ISA becomes void it will be transferred to a no notice account. We will notify you in writing if this happens.

Accounts can be closed upon request and with no penalty.
