# A brief summary for IFAs and mortgage brokers

## Introducer fees

Introducer fees on new residential mortgage business will be paid at a rate of 0.40% of the mortgage value (minimum £300; maximum £2,000). The fee will be paid on completion of the mortgage.

The Society lends on properties in England, Wales, Scotland and Northern Ireland. Lending cannot be considered in Channel Islands or Isle of Man.

We are a provider of specialist mortgages for:

- **Renovation** of derelict, deteriorated or redundant properties including listed buildings
- **Conversion** of disused buildings such as barns, chapels, water towers and windmills
- **Self-build** constructed of sustainable building materials and incorporating high levels of energy efficiency
- **Difficult to sell properties** such as non-standard construction (where energy efficiency improvements are to be undertaken), sound properties in deprived neighbourhoods or properties with agricultural restrictions (but only where other features of the project make it acceptable)
- **Energy efficiency improvements** to existing homes such as insulation and condensing boilers, and **renewable energy technologies** such as solar panels and wind turbines.

As well as:

- Affordable housing
- Live/work properties
- Buy-to-let properties
- Houseboat moorings
- Organic farms and smallholdings
- Small woodlands
- Shared ownership

## Features of our mortgages include:

- **Daily interest**
- **No higher lending charges**
- **Funds released on land** (with planning permission) or unimproved property value
- **Flexible release of funds in stages**
- **Discount payable** based on the energy saving and environmental features of the property. Once the discounts are applied, they remain in place for the term of the mortgage
- **A dedicated broker online portal** enabling brokers to submit and track cases 24/7.

Our C-Change discounts are a unique way for your client to save money on their mortgage. The discounts are available on mortgages for self builds, existing energy efficient homes, renovations and conversions.

The following table outlines the three types of discount available under our C-Change scheme. For further details, please visit [ecology.co.uk/mortgages/c-change-discounts](https://ecology.co.uk/mortgages/c-change-discounts).

<b>C-Change discounts</b>				
<b>Type of discount</b>	<b>Interest rate reduction (applied from SVR)</b>	<b>Applicable to</b>	<b>When applicable</b>	<b>Project suitability</b>
C-Change sustainable homes	0.50% - 1.50%	The whole of the mortgage balance outstanding. The higher the energy rating, the higher the discount.	At completion, if confirmation of energy rating is available. Otherwise, as soon as confirmation of energy rating is achieved.	Self-build Conversion Shared Ownership
C-Change retrofit	0.25% - 1.50%	The whole of the mortgage balance outstanding. The size of the discount will depend on the number of grade improvements achieved within the Energy Performance Certificate (EPC). 0.25% discount for each EPC grade improvement.	Once works are complete and a new EPC verifying the upgrade is received.	Renovation
C-Change energy improvements	1.00%	Funds being used to install energy savings measures or renewable energy systems.	Once works are complete and invoices are provided for qualifying works.	Renovation
