

# Treasurers' Deposit account

Please note due to high levels of demand we are not accepting applications for our Treasurers' Deposit account, as a temporary measure. All existing accounts continue to operate as normal.

Building a greener society

**Our Treasurers' Deposit account is a simple account with the same interest rate regardless of your balance. We aim to pay a good rate, but not our best rate, on this account. There is no notice period, so this account is suitable if you are a small group or charity looking for an easy access savings account.**

**This is a low-risk account which can be used for depositing your charity or group's reserves, or for short-term savings needs. This account is not suitable for groups or charities wishing to make deposits or withdrawals on a frequent basis or to maximise the return on savings.**

## **We put people and planet before profit**
