Can Ecology Building Society change the interest rate?	<p>We may change interest rates at any time. We'll only do this if we reasonably believe that the change is needed for any of the following reasons:</p> <ul style="list-style-type: none"> ● To respond to changes in the Bank of England Base Rate ● To respond to changes in mortgage or interest rates generally (including the interest rates paid on similar accounts by other providers of financial services) ● To enable us to manage the difference between the interest rates charged to our borrowers and interest rates paid to our investors, or the providers of funds to us, taking into account the interests of the Society, our Members, and your rights and interests as an account holder ● To respond to changes in the law or the decision of a court or ombudsman ● To meet relevant regulatory requirements ● To respond to new (or changes to) statements or codes of practice or industry guidance designed to enhance consumer protection ● To reflect changes to our costs in providing the account, including administration costs and costs of providing services or facilities ● To introduce or alter 'tiers' of interest where different rates apply depending on the amount in the account. <p>Where we make any such change, we'll act reasonably. We'll only make the change if we believe it's fair in the circumstances.</p> <p>Any change we make to interest rates will be proportionate to the circumstances giving rise to the change.</p> <p>For further details about interest rate changes including the process for notifying you, please refer to section 7 in our leaflet <i>Saving with Ecology – General terms and conditions</i>.</p>
