Postal Applications

If you are unable to open or operate an account online, you can open an account by post.

Simply complete our 35-Day Notice account application form and return it to us. You can find this form on our website. You'll then need to pay your first deposit into the account to finish opening it.

Paying your first deposit

Once we've received your application we'll let you know your account number by secure email. To finish opening your account you need to pay your first deposit into it. You can pay into the account by:

- Bank transfer from a linked account in your name
- Standing Order
- Transferring funds from another Ecology account

The open date of your account will be the date we receive your first payment. You must pay your first deposit into the account within 14 days of receiving your account number or we'll close the account.

How we pay interest

We credit your interest to your account on 31 December each year. If you close the account before 31 December, we'll credit the interest to your account on the day you close it. The interest rate paid applies to the entire balance in your account.

If requested, interest can be paid directly into your linked account in January each year (minimum £25) or to another account with us.

We'll send you an annual statement in January.

Operating an account: withdrawals

- If your notice period ends on a weekend or a bank holiday, we'll process your withdrawal on the last working day before. The amount to be withdrawn will become available from that date.
- If you want to change your withdrawal request after you have sent it, you'll need to cancel the original request and submit a new one.
- If a notice to withdraw funds would take the account balance below the required amount to keep the account open (£500), your withdrawal amount will be reduced to keep the account open.
