If you can't pay your mortgage

These charges cover the most common charges you may have to pay if you fail to keep up with your mortgage payments. Some charges, for example those covering unpaid direct debits, occur at the early stages of your inability to pay (arrears). Other charges, for example, relating to our repossession of the property, may apply and will be dependent on your circumstances.

Instructing legal action: variable – you'll be charged for the costs we incur

A fee will be charged if the Society needs to instruct solicitors to take action to recover arrears.

Possession administration fee: variable – you'll be charged for the costs we incur

A fee will be charged for possession of a property whether this be voluntary or court order and including the administration work from possession to sale of the property.

If you're struggling with your mortgage payments please speak to us. You can also get free and impartial advice from StepChange Debt Charity. They can be contacted on stepchange.org or 0800 138 1111.

The Society reserves the right to amend existing services and charges, or to introduce new ones. Any change to charges will only reflect the increased operational costs of providing the service. You will always be notified before any changes are implemented.
