What is an ISA?

An ISA stands for Individual Savings Account. This is a savings account that lets you save tax free. There are a few different types of ISA and you can save in any combination of them. You'll just need to make sure you don't exceed the overall ISA subscription limit and keep to any rules which apply to ISAs.

Eligibility

You must be aged 18 years or over to apply for this ISA.

You must be resident in the United Kingdom for tax purposes or, if not, a Crown employee serving overseas, or married to/in a civil partnership with a Crown employee serving overseas.

You must tell us if you stop being eligible as above.

How much can I save?

The ISA subscription limit from 6 April 2025 to 5 April 2026 is £20,000 and this allowance can be split between cash ISAs, a stocks and shares ISA, an Innovative Finance ISA, and a lifetime ISA, subject to eligibility.

Example	Cash ISA	Stocks and Shares ISA	Innovative Finance ISA	Lifetime ISA	Total
1	£13,000	£7,000	Nil	Nil	£20,000
2	£5,000	£11,000	Nil	£4,000	£20,000

Product Specific Conditions

How will I be kept informed about my ISA?

We'll send you an annual statement each April. If you'd like any additional information, please contact us.

Transfers from other providers

You can transfer in some or all of your previous tax years' Cash ISA savings (including 2025/2026 ISA funds deposited with another institution as long as these are not from an Innovative Finance ISA or Stocks and Shares ISA) without affecting your annual allowance for the current tax year.

To do this, simply complete the online transfer form, or download the Cash ISA Transfer Form (and Cash ISA application form, if required for postal applications). We'll send it to your existing ISA provider within five working days of receipt, confirming we'll accept your transfer. We'll then credit your ISA account within three working days of receiving the cash and requested information from your old provider.

Can I transfer my ISA to another provider?

You may transfer the whole or part of your cash ISA to another provider. We don't charge for this.

Full Transfers Out

To make a full transfer out of your Ecology Cash ISA to another ISA provider, they must be willing to accept ISA transfers. If you would like to make a full transfer, you'll need to contact the ISA provider you wish to transfer your money to. Once we receive instructions from the new ISA provider, we'll process the full transfer within 5 business days and your ISA with us will be closed.

Partial Transfers Out

To make a partial transfer out of your Ecology Cash ISA to another ISA provider, they must be willing to accept partial ISA transfers. If you'd like to make a partial transfer, you'll need to contact the ISA provider you wish to transfer your money to. Once we receive instructions from the new ISA provider, we will process the partial transfer within 5 business days.

Are there any risks?

The interest rate paid is variable and may decrease. For your ISA to have interest paid tax-free your account must be operated within Government rules. Favourable tax treatment may not be maintained if any of the rules are broken, a change to your circumstances means you no longer qualify for an ISA, or the Government changes the rules of the ISA scheme or withdraws it all together.

What happens if I die?

If the ISA account holder dies the account will still benefit from the tax-free status until either:

- The deceased's estate is completed or,
- The account is closed by the personal representative(s) or,
- The third anniversary of the death of the account holder passes.

As soon as one of these events happens the account will lose its tax-free status and if the account is still with us, it will revert to an Ecology Easy Access account with interest paid at the current rate.

Additionally, there is also The Additional Permitted Subscriptions (APS) allowance, sometimes referred to as a Spousal ISA, which lets a spouse or civil partner inherit an additional ISA allowance that doesn't count towards any current ISA subscriptions they've made. This means that if you die and your spouse or civil partner is your beneficiary, we will give them the funds from your ISA together with APS documents for the company that they are transferring the ISA to.

The APS must be completed within three years of your death or 180 days after the administration of the estate is completed (if this is later). Please note, we currently cannot accept Additional Permitted Subscriptions into an Ecology ISA account.

Management of the ISA

We report to HM Revenue and Customs (HMRC) investors who have broken the ISA rules. We'll notify you if your ISA fails to meet regulations, or if we receive instructions from HMRC, which cause your ISA to become taxable, or void. If your cash ISA becomes void it will be transferred to a no notice account. We'll notify you in writing if this happens. Accounts can be closed upon request and with no penalty.

If we delegate any of our functions or responsibilities under these terms and conditions, we will satisfy ourselves that the person or organisation we delegate to, will be competent to carry out those functions or responsibilities.
